Letters to the Editor

(Opinions expressed in this publication are not necessarily those of the BHRA. Alternative view points are always welcome.)

Dear Resident,

This is just a note to let you know what has happened re: TESCO REDEVELOPMENT PLANS. As you may be aware, South Cambs., Planning Committee gave the final approval for the scheme on January 6th 1993.

Although we were very disappointed at this decision, we were not surprised. Two years ago, in December 1990 the plans were approved in principle by SCPC. When we found out about the amended plans in July and set up the Action Committee it was already too late in the day to stop the development completely. We therefore asked TESCO if they would move the Large Retail Unit from outside the School and Library to the old Domino site, thus eliminating the problem of HGV traffic in that area and keeping to the original Village concept. They refused. After much deliberation, South Cambs Planning Committee decided that they could not go back on their original decision for fear of compensation claims etc. from TESCO. What became abundantly clear at the Planning Committee Meetings and in discussions with individual committee members was that had we made the same objections two years ago, it would have been a completely different situation and the level of response from local residents would have been taken very seriously indeed.

The question must therefore be asked why the residents of Bar Hill were not informed of the scale of the plans when they

were first submitted. Indeed, we were informed that the plans were shelved 5 days before SCPC first considered them and knew nothing of the two subsequent meetings in February and May 1992.

Although TESCO complied with the minimum publicity requirements we feel that the Parish Council failed in their responsibility to inform residents and to seek their views in the way that we have during this campaign. We believe that we have missed an opportunity to have a say in how the Village develops and with a number of major developments planned for the future, we hope that the same mistakes will not be made again.

We would like to take this opportunity of thanking everyone who took the time to write to South Cambs with their views, deliver leaflets round the Village etc. I would especially like to thank everyone who called me or stopped me in the Village to offer support and encouragement. If you still feel strongly about these plans you may like to write to Mr. Nigel Burton, Property Director, TESCO Stores Ltd., Head Office, Cheshunt, Herts. TESCO could still change the plans voluntarily and the Planning Committee would be very sympathetic about such amendments.

Many thanks once again,
Lorraine Silk,
for the Bar Hill Residents Action Committee.

The School Fence

You will see that a fence has been erected around the school and I should like to explain the reasons why this has happened.

Concerns about security and less than favourable remarks about the School environment

will, it is anticipated, be addressed by creating:

1) Security for the children - Bar Hill is becoming busier and busier and parents have frequently expressed concerns about the open nature of the site. Many of you will recall the discussion at last year's open parents' meeting which strongly supported the decision.

2) Security of the building - You will have noticed how often reports of school theft, vandalism and arson appear in the press, and the Governors need to do all they can to protect our School.

3) Improved Environment - The need to create both educational and recreational areas within the School grounds has been an ambition for many years. This cannot be achieved without there being some formal boundary which separates the School from public land.

For these reasons we ask you to support us in the following ways:

1) To accept that the School grounds are private property with no unauthorised access.

2) To appreciate that all gates except the one opposite the main door will be locked at 6.00 pm. I realise that this will be inconvenient for those who try to park inside when attending evening events but the Governors feel it necessary if the fencing is to be effective.

As Chairman, and as a Police Officer, I know that you can help make our School safe, not only by respecting the above but by keeping a 'School Watch' and reporting any unusual activity to the Police.

Thank you for your help.

Yours Sincerely
John Fuller

Chairman of Governors.

Parish Council Notes

The monthly meeting of the Parish Council was held on Thursday 21st January in the Old Farmhouse at 7.30 pm.

Village Hall Car Park

A further quotation is awaited by the Management Committee before a decision is made on the remedial work to be undertaken

Dog Fouling Signs

Signs are to be purchased, to affix to lamp-posts in the Village, asking residents to 'clean up' after their dogs.

Scout Hut Path

As this path has taken so long to construct, and still was not finished, the Clerk was asked to write to the Group Scout Leader requesting that this work be completed as soon as possible.

Litter action Group - National Spring Clean

Mrs. V. Webb was nominated as the Village's link person to liaise with the Environmental Health Service for the National Spring Clean Week in April.

Viking Way

Very slow progress was being made on the up-grading of Viking Way to an adoptable standard by the County Council.

Circus & Fair

Permission was granted for both a fair and a circus to visit the Village later this year. The visits would be dependant on the weather and the 'state' of the Village Green at the time.

Grass cutting

The Village maintenance work will be put out to tenders to be returned to the Clerk before the February Parish Council meeting.

Village Trees

Any necessary tree/hedging work will be carried out during February & March.

Next meeting of Parish Council: 18th February

**Happy

Day**

Happy Hours

I write on behalf of all the ordinary members of the Happy Hours Club, or should I say *The Recycled Youth Club*, to commend the achievements of our Committee throughout 1992. I do not use the word *achievement* lightly; just consider Ruby Hunt and her magnificent efforts in raising the sum of £2000+, to purchase equipment for the children's ward at Addenbrookes Hospital.

We are fortunate to have at the helm of The Club, a committee whose untiring efforts and diverse activities add up to the happy times that we experience; small wonder that they were all returned to office at the AGM.

One of the 'activities' I refer to is the installation of the Loop System that is a proven asset to those members who have impaired hearing.

Continuing on this same theme, is the fact that we have again, throughout the year, enjoyed various coach outings and also of course, the Spring Holiday to Sandown. That was a real fine one wasn't it, and it appears that there could be a Spring Holiday for '93 in the offing.

The Birthday Party was a great success, as also was the Christmas Party, and that included an extra - Amateur Dramatics; Stars; Shining Bright, great fun.

We have arrived at the end of 1992 and I decided to offer these compliments to our energetic committee, I could of course have condensed these remarks to just three words, like :- Committee? Par Excellence. This article is brief but nonetheless sincere. I shall conclude here, and wish all members of the Club a happy and peaceful 1993.

Just William.

TESCO Redevelopment

Another Point Of View

I would like to thank all those people who contacted me expressing their support regarding my letter in the December Bar Hill News.

You will by now have heard or read in the local newspapers that the District Council has given TESCO the go-ahead for their redevelopment plan. Comments made by the press were inaccurate. The Parish Council and Residents discussed these plans, at a meeting with TESCO representatives, in 1990. Maybe at the time peoples' attention was diverted from this issue to the proposed shopping complex on the other side of the A604.

Parish Council meetings are open to the public and minutes are posted outside the Newsagents, also notes of the meetings are published in the Bar Hill News. If you cannot attend these meetings you can always contact any member of the Parish Council with your comments or views.

Think before you Throw There is NO such place as AWAY.....

The average Briton throws away about ten times his/her own body weight in household refuse every year - a national total of 20 million tonnes. This comes from your average of two binbags put out for the rubbish collection every week. Adds up, doesn't it!

Many people now take advantage of local recycling banks, which collect glass, paper, metals and clothing. Households not using these facilities are contributing to many problems - finding sites for landfill; holes into which we dump our rubbish, and the decline in availability of nonrenewable sources from which we obtain much packaging material. No one wants to live near a landfill site - would you?

"What difference do my few bits make?" - A big difference! Experiment: Save all your recyclables over one month, and see how they add up. Reduce the amount in your dustbin by recycling and wasting less - reduce it to a minimum. Have you noticed how much of it is packaging? There are now many campaigns to stop manufacturers using packaging that we, as consumers, do not want. (See addresses below).

Reduce * Reuse * Recycle

Glass

Can be effectively recycled, and is a good example of an effective scheme. Use the local Milk Round: Milk bottles are reused an average of 20 times, although many are used 40 to 50 times, and are then recycled. Look out for the float in the morning! They also sell orange juice in bottles; no need to buy juice in throwaway cartons or plastic bottles any more.

Cans

The main materials of cans are steel, tin and aluminium. The process of making tins is very energy intensive and creates air pollution. Recycling campaigns are now more widespread, due to their success in trial areas. Metals take a very long time to biodegrade, if they ever do. They are made from a non-renewable source and should be reclaimed and recycled as much as possible. Cat &

Dog owners: Please clean and recycle pet food cans - you'll be surprised how many you get through! Use an old washing up brush to clean the can inside: it only takes a moment.

Paper

About 30% of the paper products we buy are made from recycled paper - egg boxes, newspapers, stationery and loo paper. Reusing paper is not always an option; **reducing** the amount you use is. Most areas have a paper collection scheme: some is recycled, some is shredded and used for animal bedding. Reduce the amount of paper products you use. Use cotton hankies instead of tissues; linen napkins instead of serviettes; reusable nappies, not disposables; and so on.

Vegetable peelings, garden waste and tea leaves are just a few things you can reuse - by Composting! The resulting medium is used to put goodness back into your garden. It is a simple process and there are many good types of composting bins, to make or to buy. A good read is: 'How to make your garden fertile' by Pauline Pears ISBN 0855326735 HDRA/Search Press.

Reduce * Reuse * Recycle

'The A - Z of Reuse and recycling in Cambridge' is available from the City Council.

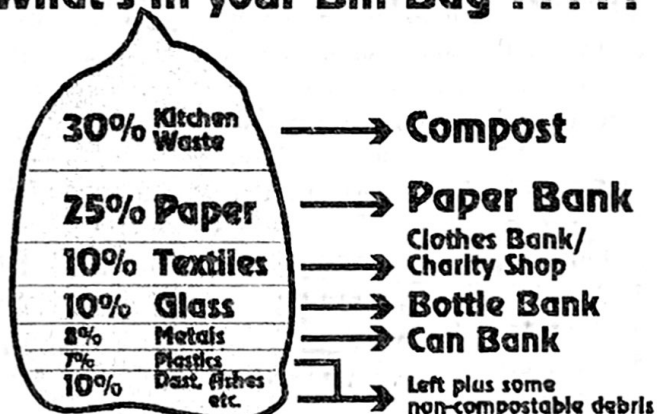

Bar Hill collection point: TESCO car park.

Also, the Council Civic Amenity site, off the A10 Milton, has many recycling facilities.

Feeding Feathered Friends

The *golden rule* of feeding wild birds in winter is not to stop once you have started - Many people start with good intentions, but, after a few weeks forget to put foods out. Birds become used to food being offered, and rely upon it during cold spells. Establish a feeding routine, and you will see the benefits of having regular birds in your garden. First thing in the morning is a very important time, as birds lose weight and strength overnight. Your efforts can mean the difference between life and death.

A simple bird table, wall mounted or hanging basket is a good start - make sure that the birds are safe: no cats hiding in a bush next to it, and an unclimbable pole on the bird table!

Wild bird foods are available to buy - usually including many seeds and nuts to provide something for the different birds that come to feed. If you buy foods, peanuts, a mix or feed bars, make sure it carries the **Birdfoods Standards Association** red logo - RSPB/BTO seal of approval. Some nuts contain toxins, fatal to birds. The logo will assure you of the quality and suitability of the bird food.

Birds also need water to drink and to wash in: check it has not frozen overnight. Do use kitchen scraps, crusts, cake crumbs etc. but never put out salty foods, or just bread (which is not nutritious enough alone). Fresh coconut is safe, but NEVER put out desiccated coconut as it swells in the stomach and can kill.

Winter is the most important time for feeding, especially during cold January/February spells: increase the food then. Around April, there are more natural foods - insects etc. Adjust your feeding, don't put out too much bread as it has little nutritional value. Avoid large lumps of food/fats, as the adults soon begin to feed their young. In autumn, increase the quantities again and attract a regular clientele for the winter!

10 Guidelines

1. Only buy foods carrying the BSA Seal of Approval
2. Put out food and water all year round
3. Site the feeders carefully
4. Keep food fresh and away from rodents
5. Give birds time to get used to new food and feeders
6. Do not overfeed - especially with table and ground feed
7. Clean table and feeders regularly - hygiene is very important
8. Take precautions to prevent birds flying into windows
9. More feeders attract more birds
10. Once you have started to feed - DON'T STOP !!!

Grateful Thanks

To the people of Bar Hill and all our friends in Robin Close, the British Legion and the Happy Hours club.

I would like to thank all of our friends who passed the time of day with Olive as we went on our way. Although she could not see you, she knew you by your voice, and it made her happy to think you did not pass her by.

My thanks to everyone for the cards and the floral tributes sent, Olive so loved flowers. Thank you to all of you who came to the church to say your last goodbyes; words cannot express my appreciation for all your kind thoughts.

God bless you all and thank you

Why don't they?

In this time of recession we are all thinking of survival, but Village events still need to be organised, and sometimes this can seem to be a thankless task. But it is important (and sometimes rewarding). Who organises the various events we all expect to go to each year? (The Fun Run, the Fireworks display, the Fete, the Bar Hill News, etc.) Take a moment to consider, and then see if you have any spare time to help. We (and the Village) need you!

Colts Football

Not much has happened on the football field since my report in December "News", as the majority of Colts games have been affected by either flooded or frozen pitches (if you inspect the Village Green you will see what the problem is). In fact, only three games have been completed since Christmas and most managers are now planning an extension to the season with fixture lists already extending to the end of April without any further cancellations. League positions at 10 January were as follows:

- Under 10's - 4th in Div 10B
- Under 11's - 3rd in Div 11A
- Under 12's - 13th in Div 12C
- Under 13's - 8th in Div 13A
- Under 14's - 9th in Div 14C
- Under 15's - 8th in Div 15B
- Under 16's - 6th in Div 16C

Most teams have games in hand over their opponents so we can expect an improvement in these positions once we start to catch up on the postponed games.

If you wish to support our teams, and you are always welcome, full fixture lists for Colts League games appear in the Cambridge Evening News every Friday evening.

We are now able to add another name to the list of players that have represented the Colts at League representative level.

Alex Revell, who plays for the Under 10's scored on his debut to help the Cambridge League defeat the Harlow League 8 - 1. They now play the Chelmsford league in the Inter League Cup semi-finals.

Our New Years Eve Disco, held in the Village Hall, was a great success, and was attended by over 100 adults and children. Our thanks go to Joy Croxon and her organising committee, to those who helped on the night, to the Village Hall committee and Sandra Spence, and last, but not least, to DJ, Barry Taylor. There will be further events throughout the year so 'watch this space'.

Finally, we are running a competition for all registered players. We want you to design a new club badge. Entries should be sent to Alan Drake and there is a prize for the winner. More details will be forthcoming in a Club Newsletter and next months 'News'

Happy Hours Bar Hill Senior Citizens club

So another year is upon us and we are all wondering what 1993 will bring? To all our members may I on behalf of the Chairwoman and committee wish you all a Happy and Prosperous New Year and sincerely trust Happy Hours will go on from strength to strength. We do look forward to enjoying your company every week and my message goes out to other members of the community who are not members and possibly a little hesitant in coming along to our meetings; give our registrar, Sid a ring on 780789 or Phyllis, our Chairman, on 781124; they will assure you that it's the next best thing to sliced bread. We have, as at today's date, 98 members, so it can't be that bad. If you have a problem in walking we can arrange to collect you, and for the hard of hearing, which includes yours truly, we now have the deaf aid 'Loop System' to enable you to hear our various speakers. We do have so much to offer and if it means getting you out of your homes and flats just for a few hours to enjoy a neighbourly chat and meet new friends, then we feel we have achieved something. So please do come along.

You may be wondering why I am penning this article once again? Well our editor Olive Barber is a little under the weather and I am standing in. Please get well soon Olive and hurry back before I am subjected to further abusive letters and comments!

The committee held their usual bi-monthly committee meeting on the 13th January and let me assure you that the arrangements for trips, speakers etc. are well and truly under way; we shall endeavour to give you a full programme as far as we possibly can. Remember we do have a suggestion box at our Monday meetings so please let us know where you want to go and what you would like to do. Incidentally, we have had one list of outings members wish to have. Please keep your suggestions coming. It's your Club!

Sadly we are going to lose two 'stalwart members' of our committee, The Reverend James Lawrence leaves for Leamington Spa on the 22nd February and Martin Franks (pressure of Church work outside of Bar Hill). From the beginnings of Happy Hours both have been a strong influence in formulating its policy. Their contributions have been invaluable. We shall sorely miss them; from what we have seen and experienced it is nice to know others, in due course, will benefit from their wonderful dispositions. We do thank you for being with us and wish you well in your new endeavours.

Sales Table: Each Monday we will be having a *Sales Table*. So if you have anything which you feel surplus to your requirements then bring it along to the meeting. You must, however, put on the article the price you wish to obtain, and, if sold, the Happy Hours Club will retain 25% and the remaining 75% will be yours.

In Memoriam

This is the part I just hate to do; to open up our newssheet with a measure of good will, knowing that there are amongst us members who have suffered bereavement just prior to Christmas, especially committee members who give and do so much for Happy Hours and other voluntary organisations so that others can enjoy their lives to the full. I do sincerely apologise if this re-awakens those dark moments and will cause you to shed a tear, but I must convey our deepest sympathy to you on behalf of Happy Hours and to let you know our thoughts are always with you.

To Sid and Ruby Hunt the loss of a dear and talented son.

To Stan Dixon the loss of such a dear and wonderful woman; we shall miss her dearly.

GOD BLESS THEM BOTH

Church Services

James and Sophie Lawrence will be leaving Bar Hill this month. They are moving to Warwickshire, where James takes up his new post as Staff Evangelist with the Church Pastoral Aid Society. We will be saying goodbye to them on 21st Feb. (Sunday) from 5.30 to 6.45 pm in the old Church Centre. Many people in the Village have reason to be very grateful to James and Sophie for their ministry here over the last five years. If you would like to come to this farewell tea, you will be extremely welcome: also the 7 o'clock service which follows, and which will be James' last Service with us as Associate Minister.

Also: please note the Confirmation Service at 10 am on 21st Feb. and the 'Brains Trust' at 7.30pm on 28th Feb. A panel representing the 6 denominations involved in the Ecumenical Project here, will be answering questions submitted beforehand. If there is anything you would like to ask, please put it in writing to James Newcome (108 Stonefield) before Feb. 14th. It promises to be a very interesting evening, and everyone will be most welcome. The communion service on the 28th will be at 8 am.

We always welcome enquiries concerning any area of the Church, so please contact either of the Ministers if you would like to find out more about the Church's activities within the Village.
